3. Background and Experience

Please briefly present the organisation (e.g. its type, scope of work, areas of activity and if applicable, approximate number of paid/unpaid staff, learners)

Learnmera Oy is a private adult education provider and translation company, focused mainly on corporate clients in the greater Helsinki area providing private executive business language lessons. Courses are offered in the major Nordic and European languages, but also beginner's courses in English, Finnish, Swedish, French, German and Russian are offered.

Learnmera Oy has considerable in-house experience in educational resource, website creation and mobile application content building.

Their website (TLM) has a member base of around 31,000 teachers worldwide. It is this technical and creative expertise that Learnmera can bring to a project.

Learnmera has also been the coordinator for a national e-learning project and a national m-learning project contracted by The Swedish Cultural foundation in Finland. Teaching material made by Learnmera can be found (free of charge) in different languages on Scribd.com, TeachersPayTeachers, SlideShare and many other platforms on the internet. Other relevant project products are the TOIEU project Info4Migrants portal also developed by Learnmera, www.vardsvenska.fi – Swedish for health care personnel and www.thelanguagemenu.com – Tools for teachers.

What are the activities and experience of your organisation in the areas relevant for this project? What are the skills and/or expertise of key persons involved in this project?

Learnmera Oy is a private adult education provider in the greater Helsinki area providing business language lessons. Courses are in the major Nordic and European languages, as well as beginner's courses in English, Finnish, Swedish, French, German and Russian. The nature of the work means that they teach many migrants and therefore help them with their needs outside the classroom (work, housing, cultural issues etc).

Learnmera Oy has considerable experience in educational resource, website and mobile app content creation. Their website (www.thelanguagemenu.com) has a member base of around 31,000 teachers worldwide. In addition to language training, Learnmera offers translations, proofreading, editing, voice-overs and subtitling for corporations.

Learnmera develops websites, web portals and phone applications for both Android and iOS. Below is a link to the company presentation with info about the apps previously created.

Learnmera has extensive experience leading dissemination/valorisation and working with social media for EU project dissemination. The Learnmera staff has worked on over 40 EU and domestic projects. They have worked on several projects involving integration and language learning for immigrants.

The company has been involved in several EU projects, TOI, Justice and Mobility projects since 2008, both as partner and coordinator with excellent reviews from the Finnish NA.

Associated Partners

Please identify and explain the involvement of associated partners, not formally participating in the project. Please explain how they will contribute to the implementation of specific project tasks/activities or support the dissemination and sustainability of the project (2-4 organisations per/country)

Learning for Integration ry (<http://www.lfi.fi/>) is able to assist with the dissemination and events in Finland. Other partners Learnmera has worked with previously that can be mentioned are Svenska Kulturfonden (<http://www.kulturfonden.fi/>), Luckan (<http://luckan.fi/>) and Bildningsalliansen (<http://www.bildningsalliansen.fi/sv/start/>) who are specifically interested in dissemination of Swedish in Finland projects. Schools to be mentioned are Arcada a multi-professional university of applied sciences (<https://www.arcada.fi/sv/>) and Practicum an upper secondary vocational institution (<http://www.practicum.fi/>) as well as Laurea, (<https://www.laurea.fi/en>) another University of Applied Sciences. These schools can periodically assist Learnmera with some events and dissemination of projects.

Learning for Integration ry also organises a weekly language cafe in Helsinki with 60-90 participants each week. We can disseminate information at the events and involve the attendees. They also have a large Facebook group Cafe Lingua in Helsinki <https://www.facebook.com/groups/147968218893/>
