Multimodal Interaction and Information  
2021-1-NL01-KA220-ADU-000026000

Multi-I aims to empower educators and trainers of adults by providing them with effective tools and approaches for integrating adult refugees through the development of multimodal pedagogical literacy tools.

## PARTNER ORGANISATIONS

Stichting Vrouw en Welzijn - Netherlands, iTEACH INTERNATIONAL TRAINING AND LEARNING INSTITUTE - Turkey, Learnmera Oy - Finland, Blestyashta Akademiya - Bulgaria, IEJVC - France, Welcome Home International - Belgium

### Kick off meeting in Maastricht

We had a successful kick-off meeting with the host institution Stichting Vrouw en Welzijn. In this meeting, the steering committee and Conflict Resolution Committees were established and the meeting agenda items were discussed. Decisions on responsibilities and duties were made according to the critical milestones in the project. The leading organization presented templates for the first intellectual output of the project.
