our project activity
process through the
newsletters

WHAT DO WE WANT TO ACHIEVE?

We aim to support adults with Down Syndrome to lead productive and healthy lives as part of society. For this reason, we aim to develop the competencies of families and professionals of adults with Down Syndrome to improve their quality of life. We also aim to support adults with Down syndrome to develop autonomy. The project products and project results obtained within the scope of the project will contribute to the social inclusion and active and healthy ageing of adults with Down Syndrome.
