

RE-THINK / RE-ACT

NEWSLETTER #3 | NOVEMBER 2023

TPM in Coimbra, Portugal

The **RE-THINK / RE-ACT** project began in February 2021, and completes in February 2024. During this time, the partners will meet face-to-face three times. The first Transnational Project Meeting took place in Cordoba at the beginning of the project.

The second Transnational Partner Meeting took place in Coimbra, Portugal in March 2023. During the meeting, partners discussed the current status of the project, reviewed the ongoing outputs, and finalised the plan of action and deadlines for the reminder of the project.

Following the Transnational Project Meeting, the partners visited Mealhada, where they sampled a local traditional dish - "Leitão à Bairrada".

After the partners tasted the traditional dish from the region, they participated in a guided tour of the Messias Caves, followed by sampling some local sparkling wine.

UPDATE ON PROJECT OUTPUTS

There are four outputs as part of the **RE-THINK RE-ACT** project:

1. TOGETHER app
2. Rethinking for Schools
3. Re-Act Webpace
4. YOUDO

The project is nearing completion with only a few months remaining. The outputs are in the final stages, and partners will begin pilot testing during November.

YOUDO

Here is a sneak-peak of the YOUDO interactive digital tool.

YOUDO is a digital resource with gamified interactive materials with a socialising component that facilitates self-knowledge by reinforcing skills related to emotional intelligence.

Thanks to the game and overcoming challenges, the YOUDO user reflects and re-learns skills to face daily situations in which creativity, resilience, digital skills and other soft skills necessary for more meaningful and effective learning are required.

MULTIPLIER EVENTS

Multiplier Events will take place in Spain, Cyprus and Finland in January and February 2024.

Contact us if you would like to participant in the Multiplier Events.

Follow us on our social media channels and check our website to stay updated with our project progress and to learn more about soft skills.
